UNIVERSITY OF MYSORE

Sir Mirza M. Ismail, Kt. O.B.E. C.I.E
Dewan of Mysore

Bangalore.
-MYSORE.

Dated, 4th. August. 1930

III Member with compliments for favour of opinion. Dm 4-8-30

Dear Sir Mirza.

While I duly appreciate the honour Government has been pleased to do me in appointing me Vice-Chancellor of the University of Mysore, I much regret the necessity under which I find myself of representing to Government the highly unsatisfactory nature of nearly all the terms of my appointment as indicated in Government Order No. 4224-5 / C. B. 65-29-15 dated 1st. May. 1930.

I have reason to suspect that, in formulating these terms, Government may have been under some misapprehension regarding my age. This factor has an important bearing on two of the conditions. With regard to others of the conditions, it appears to me that reason and justice call for a revision.

(1) In the matter of salary I have been placed on a lower plane than my two immediate predecessors, Sir B. N. Seal and Mr. Chandy, for a period of two years. The pay proper to the post, to which I am to be raised at the end of that period, is that usually attached to this class of post and does not exceed the maximum pay of Professors in the neighbouring Indian Institute of Science. It cannot be considered at all excessive considering the position and responsibility of the head of this University. This has, in fact, been recognised in the case of my predecessors and continues to be recognised in the Order to which I have referred, inasmuch as I am to be elevated to the proper level after two years. If the present Order stands I shall not receive the proper pay of the post until I am approaching the age of 52, with little over three years of further assured service.

(2) In the circumstances the terms attached to the grant of a special rate of pension render the Order ineffective. I joined the service of the Mysore Government when I was approaching the age of 29. I should not be penalised on that account. It must be remembered that in recruiting me at that age the Government obtained the services of a man who had voluntarily spent some years after graduating in fitting himself for the work of a teacher of Science on modern lines and, on that account, peculiarly well fitted to undertake the special work of reorganizing the courses in the Central College. My recruitment at a later age than usual was, in the

circumstances, of very great benefit to the State ; and, in justice, it should not be allowed to operate as a disability against me. I feel that I am in every way justified in emphasising very strongly the my need for similar terms of pension to those accorded to European officers in the senior professorial grade when I joined service - terms which I was certainly given to understand would be applicable to me - namely, £ 525 per annum after 25 years of service. In this matter of pension I cannot regard anything less favourable than this as satisfactory.

(3) In the matter of accommodation at Mysore and at Bangalore, I am to be given free quarters at both the University centres as in the case of my predecessor. But a special distinction is made in my disfavour, that I am to be deprived of what I understand to be a privilege enjoyed without distinction by all other members of Government service, that of drawing halting allowance when away on duty from my official headquarters. This disability was not imposed on Dr. Seal and is not, I believe, imposed on the few other officers of Government who have official residences both in Mysore and in Bangalore. The order seems to me both unreasonable and unfair : unreasonable, since the frequent use of an official residence away from headquarters necessitates keeping up two houses in practically full working order continuously and therefore involves a special expense : unfair, because I am, apparently, penalised in this matter as a " special case ".

(4) Government, when appointing Dr. Seal, recognised the necessity for the Vice-Chancellor to keep a motor car. This was a necessary provision. Whether at Mysore or at Bangalore, the Vice-Chancellor has to make frequent visits tothe institutions under him and to other places. I have to use a car on business daily at whichever centre I may happen to be. In consequence I necessarily travel between Mysore and Bangalore in the car which I have to use. I request Government kindly to remedy the oversight of omitting to include the Vice-Chancellor's motor car allowance of Rs. 100/ per mensem.

In conclusion I would point out that, had I been brought in from outside the State service to fill this post, Government would probably have found no difficulty in granting me the terms accorded to Dr. Seal. If then the fact that I have already served the State for over twenty years, presumably to the satisfaction of the Government, is to be regarded as a reason for treating me less generously, I can only ask Government kindly to overlook my apparent disadvantage in this respect.

I am, dear Sir Mirza,

yours very sincerely,

E.P.M.

E. P. Metcalfe.

Personal and Confidential.

UNIVERSITY OF MYSORE

DEWAN'S OFFICE
No. 1528
3 - AUG. 1931

MYSORE,

Dated 1st Aug. 1930

Dear Sir Mirza

I shall be very much obliged if you will kindly let me have your opinion, unofficially and confidentially, on the matters raised in the letter I left with you last week. It is desirable that I should be aware of the action Government propose to take before passing definite orders, which are invariably difficult to revoke or modify later.

You will recall the circumstance that no suggestion was made, on my confirmation as Vice-Chancellor, that Government intended to economise on the Vice-Chancellor's salary and allowances. I was therefore justified in believing that I was being given the status of the retiring Vice-Chancellor - a status which

was accorded also to Mr. Chanay during his tenure of the office. The Government Order reducing the salary of the Vice-Chancellor and effecting other economies at his expense came as a complete and very unpleasant surprise to me.

The action of Government has degraded the prestige of the Vice-Chancellorship and reflects on my personal professional competence. It is my duty to the University to oppose the former: and in my own interest I must object very strongly to the latter.

Quite candidly, I do not feel anxious to retain my present position under the reductions and special restrictions which have been imposed on me.

I find, moreover, that Government now appears disinclined to support your kind intention of providing a suitable and comfortable residence for my wife and myself in Mysore: and that difficulties are being made in the matter of renovating, modernizing and generally improving the old house formerly occupied by the University Registrar and later by Dr. Seal.

UNIVERSITY OF MYSORE

The present situation appears to me to be wholly unsatisfactory. The implication of inferiority to my predecessors, which I feel to be unfounded and unjust, is exctremely distasteful to me. The small immediate improvement in my income resulting from this dubious elevation is offset by increased expense all round – in living, in travelling and in the more numerous and larger contributions, charitable and social, expected of the Vice-Chancellor of the University.

Unless Government are prepared to remove the invidious discrimination against me implied in the present terms of my

appointment and to restore those accorded to my predecessor. I think it would be better for me to revert as Principal of the Central College.

Yours sincerely

E. M. Metcalfe.

Sir Mirza M. Ismail

Dr. Metcalfe's letter to the Dewan dated 4th August 1930 regarding his pay, pension, etc.

---

(1) Pay. Dr. Metcalfe's pay as Vice Chancellor has been fixed at Rs.1750 rising after two years to Rs.2000. I do not think any modification to this is called for. No comparison is possible with the Indian Institute of Science where service is generally on a short term contract basis and large salaries have to be given. Dr. Metcalfe is in the permanent pensionable service of Government. From a perusal of the Madras Civil List, it is seen that officers who joined the Indian Educational Service, (Madras), about the same time as Dr. Metcalfe joined here are drawing Rs.1500 with an Overseas pay of Rs.300.

(2) Pension. The pension has been fixed at £500 after 30 years' service. Dr. Metcalfe will complete 30 years' service only when he is 59. It is not desirable to guarantee Dr. Metcalfe's continuance in service until he is 59 years. The special pension may, I think, be given after five years service as Vice Chancellor, i.e., when Dr. Metcalfe would have reached the age of 55 and would be eligible in the usual course for superannuation pension. As regards the amount of pension Dr. Metcalfe asks for £525 per annum which is the equivalent of Rs.500 per mensem at 1s. 9d. the rupee. This is the pension Mr. Tait and Mr. Denham are drawing. The extra cost involved is not much and I think this might also be allowed.

(3) Halting allowances at Bangalore. Mysore being the headquarters of the Vice Chancellor, he will not draw any allowances there, but I think he may be per-

permitted to draw halting allowances at Bangalore.

(4) Motor car allowance. I do not think there is any justification for sanctioning this. A motor car has to be maintained in any case by an officer of Dr. Metcalfe's position and for his journeys between Bangalore and Mysore he will draw the usual allowances.

Dewan
I am inclined to agree -
F. Secy's opinion may hold
re (2) & (3).

F. Secy) 5/8/30.

First, as regards pension.- Dr. Metcalfe's date of birth is 2nd July 1880. He will attain fifty five on 2nd July 1935. By the time of his superannuation, he will not have rendered full thirty years qualifying service but the service as Vice Chancellor would be a little over five years. The proposal to give him the special pension of £500/ when he reaches superannuation is reasonable and may be sanctioned.

As regards the request of Dr. Metcalfe for being allowed the concession of the special exchange of 1 sh. 9 d. the rupee for conversion of pension into sterling on the analogy of the cases of Messrs Tait and Denham, I am afraid reconsideration is not possible. There is an important question of --

WD 01684—GPB—30,000—20-4-29

Serial No.

of principle involved in this matter and it is not desirable to depart from the established rule. Dr. Metcalfe joined service on 28th November 1908 when the old rule permitting European Officers in Mysore to draw pension in England at the privileged rate of 1 sh. 9 d. the rupee had been abrogated. There was very considerable discussion in regard to extending the old concession to Mr. Tait and other officers who had entered service prior to 21st November 1905. I request kind reference to the proposals approved by His Highness on 23rd March 1907 in dealing with Mr. B.L.Rice's case. It would create a very inconvenient precedent if any officer who joined service after 21st November 1905 be permitted to convert his pension at the arbitrary rate of 1 sh. 9 d. the rupee. In the circumstances, I am respectfully of the opinion that the calculation of pension of Mr. Metcalfe on the basis of 1 sh. 9 d. the rupee should be ruled out. Under the existing rules he is eligible for a pension of Rs 6,000/- per annum for 30 years' qualifying service and at the current rate of exchange, viz., 1 sh. 6 d. the rupee, the pension admissible will be £ 450/- sterling. The special pension of £ 500/- at superannuation for about 27 years' service should, in my opinion, amply meet the requirements of the case.

(-7)

Secondly, as regards daily allowance for halts at Bangalore.- According to the terms of Dr. Metcalfe's appointment, "Granite Castle" is placed at his disposal for his residence in Bangalore

A daily allowance is granted to an officer to cover the ordinary daily charges on tour, including cost of accommodation. When free accommodation is placed at his disposal, there is no justification for the grant of full daily allowance. I would suggest that one half of the usual allowance may be given for halts at Bangalore.

Before the Second Member went on leave, I brought to his notice that it is not quite clear from the records in the Secretariat whether Dr. Seal was actually drawing D.A. in addition to making use of the quarters provided to him by Government. In fact from the records it looked as if he was not drawing D.A. From informal inquiries from the Comptroller's office it is learnt that Dr. Seal was not ~~drawing~~ claiming D.A. at all. The II Member said that the matter may be verified by reference to the present Vice-Chancellor. I submitted the matter also to the Dewan in person. The entire Secretariat file was sent to Sir Charles Todhunter on 7th November 1930, but this has not been returned by him. Letter calling for the same is put up. (Issued)

A reply has been received from Dr. Metcalfe sending some Office copies of Sir B. N. Seal's travelling allowance bills (January 21, November 21, March 28) in confirmation of his statement that Sir Seal was drawing D. A. at Bangalore. The Comptroller has also informally obtained information from the University Audit Office to the effect that such D.A. was drawn in June, July and September 1929. Further action will be taken soon after the file is received.

In the meantime these papers may perhaps be submitted to Second Member for perusal.

Final Note by the Second Member of Council.

Subject:—

Requests of Dr. E.P. Metcalfe, regarding his pay, pension, travelling allowances, etc.

In accordance with the resolution of the Council regarding the pay, pension, travelling allowances, etc. of Dr. E.P. Metcalfe, Vice Chancellor of the University, which was approved by His Highness on the 19th April 1930, orders were issued fixing Dr. Metcalfe's pay at Rs.1750 for the first two years of his term and Rs.2,000 thereafter and his pension at £500 per annum after completion of 30 years' service. As it was decided to provide Dr. Metcalfe free accommodation at Bangalore as well as at Mysore, it was ordered that he would not be entitled to draw halting allowances for the days he halted in Bangalore.

Dr. Metcalfe has recently written a demi-official letter to the Dewan urging that he might be given a pay of Rs.2,000 from the date he took over charge as Vice Chancellor, that he may be given a motor car allowance of Rs.100 in addition as was allowed to Sir B.N. Seal, that he may be given the same rate of pension as was given to European officers of the senior professorial grade when he joined service, viz., £525 after 25 years of service, and that he should be allowed halting allowances for halts in Bangalore.

In my minute of the 5th August 1930 I have expressed the view that there is no case for increasing Dr. Metcalfe's pay or for giving him a motor car allowance. But as regards his pension I have suggested that he might be given £525 per annum after he completes five years service as Vice Chancellor. For halts at Bangalore he might be permitted to draw halting allowances.

The Financial Secretary proposed that the rate of pension need not be enhanced, but that he might be given £500 when he reaches 55 years of age instead of after 30 years service, and that as regards halting allowances at Bangalore he might draw half the usual allowances.

Sir Mirza M. Ismail in his minute dated the 25th August 1930 proposed the following:-

(1) No change in salary and no car allowance;

(2) Travelling allowance Rs.10 a day (instead of Rs.7-8-0) to be given at Bangalore also;

(3) Pension: £525 after five years service as Vice Chancellor.

As it was not clear from the papers available in the Secretariat whether Sir B.N. Seal was allowed to draw daily allowance for halts at Bangalore, further enquiries were made in the matter. These go to show that he was drawing halting allowance in respect of his ~~stay~~ halts at Bangalore, but his stay at Bangalore was generally not for long periods. Taking all the circumstances into account, I beg to recommend that the proposals made in Sir Mirza M. Ismail's minute dated the 25th August 1930 may be graciously approved with the additional provision that Dr. Metcalfe should not claim daily allowance for halts at Bangalore for a period exceeding ten days during a month.

The Dewan and the other Members of Council have agreed to the above proposals which may be graciously sanctioned.

Dear Dr.Metcalfe,

In your letter No.92 dated the 4th August 1930 to the Dewan you have stated " . . . a special distinction is made in my disfavour, that I am to be deprived of what I understand to be a privilege enjoyed without distinction by all other members of Government service, that of drawing halting allowance when away on duty from my official head-quarters. This disability was not imposed on Dr.Seal x x". From the records available here it is not clear whether Dr.Seal was actually drawing daily allowance during his stay at Bangalore while he was making use of the furnished quarters assigned to him. I should be greatly obliged to you if the matter could be kindly verified by a reference to the records in the University Office.

Yours sincerely,

My dear Krishna Rao,

I am desired to say that a representation has been placed before His Highness the Maharaja in connection with certain disabilities which Dr.Metcalfe feels that he is suffering from since his promotion to the post of Vice-Chancellor of the University, and to say that under His Highness's orders a reply has been sent to the effect that, if Dr.Metcalfe will place a note of his requirements in connection with the matter before the Government, His Highness will give it due consideration in consultation with you.

It would assist me in understanding the file if you would be good enough to order the correspondence that has so far taken place to be sent to me. I have heard a good deal of desultory discussion of the question but I am afraid that, in more than one instance, the impressions that ~~are~~ have formed from this are erroneous.

Yours sincerely,

No. 1251 /Ed. 1. File.

Camp Bhadravati,

7th November 1930.

My dear Sir Charles,

With reference to your D.O. letter No. 497 dated the 1st November 1930, I am sending you the file about certain representations made by Dr. Metcalfe. In his D.O. letter dated the 4th August 1930 to Sir Mirza Ismail, Dr. Metcalfe put forward the following requests:-

That he may be granted -

(1) a pay of Rs 2,000/- per mensem from the date of his appointment as Vice-Chancellor,

(2) a pension of £ 525/- per annum after 25 years' service,

(3) halting allowance at Bangalore when he comes here on duty as was allowed in the case of Dr. B.N.Seal, and

(4) a motor car allowance of Rs 100/- per mensem.

The following proposals were made by Sir Mirza in his minute dated 25th August 1930:-

(1) that the salary which has been fixed at Rs 1,750/- for the first two years and Rs 2,000/- thereafter, cannot be enhanced,

(2) that a pension of £ 525/- after 5 years' service as Vice-Chancellor may be given,

(3) that no car allowance can be given, and

(4) that he may be given full halting allowance at Bangalore also and that the rate of Daily Allowance may be fixed at Rs 10/-.

These proposals were agreed to by the Members of Council and have been incorporated in the Second Member's Final Note dated 3rd September 1930.

At this stage, a doubt was entertained on information informally obtained from the Comptroller's Office, as to whether

Dr. Seal was drawing any allowance at all in Bangalore. Dr. Metcalfe had based his claim on a concession said to have been enjoyed by Dr. Seal. As, however, the records of the Secretariat did not show that Dr. Seal was drawing such allowance, it was thought desirable to verify the fact before the issue of final orders. Dr. Metcalfe has therefore been requested in this office D.O. letter No. 1091 dated 10th September 1930 to verify his statement from the records of the University. No reply has been received from him till now.

Yours sincerely,

My dear Krishna Rao,

With reference to my d.o.letter No.497 of the 1st instant, I understand from Dr.Metcalfe that he has sent you on the 3rd a statement explanatory of the difficulties he finds himself in in the matter of house accommodation.

As regards salary and allowances, he has sent me the following statement comparing his position with that of his predecessor, which, he says, he had no reason to suppose would be altered when he was appointed:—

	Sir Brajendranath Seal	Doctor E. P. Metcalfe
Salary	Rs2000	Rs1750 for 2 years
Car allowance	Rs100/-	nil
Travelling allowance by rail	1 compartment first class	2 firsts
Halting allowance	Rs 7/8 per diem	nil
Cost of transit of car by rail/road on duty	Cost of truck/ 8 as. per mile	nil

PRIVATE SECRETARY MYSORE

I understand that there is also a question pending relating to his pension.

I should be much obliged if you would give me an opportunity of appreciating the Government's point of view on these questions before I place the matter before His Highness the Maharaja.

Dear Mr. Matthan,

G.O.No.2453-4/C.B.98-30-2 dated 9th December 1930. Reg "B"

I presume that, since this order is in modification of G.O. No. 4224-5/C.B.65-29-15 dated the 1st May 1930, it is intended to have effect from the date of the earlier order. I presume also that I am, for the present, to draw daily allowance for halts away from Bangalore (not away from Mysore).

These points are not explicitly provided for in the orders of Government, and thus there is some difficulty in admitting my bills to audit.

Will you, very kindly, obtain authorisation for me to draw my allowances according to the above conditions ?
